MAKE IN INDIA

MII

When individuals of similar mindsets generate their own unique ideas, it sparks inspiration. This philosophy resonates throughout Apolo Scale Industries, serving as the cornerstone for delivering top-notch products of impeccable quality at reasonable prices.

Our primary objective revolves around championing Indian culture; thus, we dedicate ourselves to advocating for the purchase of domestically produced goods by our clientele.

Furthermore, we're proud to announce the fulfilment of 10,000 orders through the GEM portal!

Established in 2018, Apolo Scale Industries stands as a pioneering entity in India, aspiring to become the nation's premier manufacturer and distributor of weighing scales. Our relentless pursuit of innovation drives us to continually enhance our offerings, aiming to deliver unparalleled solutions to our customers. We are unwavering in our commitment to leveraging our clients' investments responsibly, ensuring that every product we produce, design, and source reflects the utmost quality and integrity.

Certifications

A. Bureau of Indian Standards (BIS)

Our products are registered under BIS. BIS is responsible for the harmonious development of the activities of standardization, marking, & quality certification.

B. CE Certifications

The CE marking is a certification symbol that signifies compliance with standards related to health, safety, and environmental protection, ensuring that all our products adhere to these Requirements.

C. MSME Certifications

An MSME certificate, also known as Udyog Aadhaar, is a document issued by the Government of India to micro, small, and medium enterprises (MSMEs).

MSME
